

MEMORANDUM
HEALTH AND HUMAN SERVICES
CHILDREN'S SYSTEMS OF CARE DIVISION
County of Placer

TO: Honorable Board of Supervisors **DATE:** October 11, 2022
FROM: Robert Oldham, Director of Health and Human Services
BY: Joey Wojtowicz, Staff Services Analyst II
SUBJECT: Amendment to Revenue Agreement with the Mental Health Oversight and Accountability Commission

ACTION REQUESTED

Approve an amendment with the Mental Health Oversight and Accountability Commission to expand school wellness services, to accept an increase in revenue of \$1,079,602 for a new revenue total amount not to exceed \$5,079,602, and to extend the term an additional sixteen months for a revised term of September 1, 2020 through December 31, 2026, and authorize the Director of Health and Human Services to sign the agreement with Risk Management and County Counsel concurrence, and to sign subsequent amendments up to \$100,000 consistent with the agreement's subject matter and scope of work with Risk Management and County Counsel concurrence.

BACKGROUND

The Mental Health Student Services Act (MHSSA) program (2019 Budget Bill, Senate Bill 75) funds partnerships between county behavioral health departments and local education entities for the purpose of increasing access to mental health services in locations that are easily accessible to students and their families. The program provides support services that include, at a minimum, services provided on school campuses, suicide prevention services, drop-out prevention services, placement assistance and service plans for students in need of ongoing services, and outreach to high-risk youth, including foster youth, youth who identify as LGBTQ, and youth who have been expelled or suspended from school. The MHSSA Grant allowed wellness services to be offered at schools in Auburn Union School District. The Mental Health Oversight and Accountability Commission (MHSOAC) has determined that this grant has been successful to our community and has therefore increased the amount of funding in order to allow expansion services to two schools in Western Placer Unified School District.

The original revenue agreement was approved by your Board on July 28, 2020, and amended on July 27, 2021, to allow additional time for expenditure. This recommended approval would be to accept the additional funding and again extend the term.

FISCAL IMPACT

The total increase of this agreement is \$1,079,602. Funding is included in the FY 2022-23 budget for CC140007- Children System of Care. There is no additional impact to the General Fund.
